

National centre for family and whānau violence research and information

Pānui | Newsletter - Issue 102 - April - May 2021

Kia ora!

It has been a very busy couple of months as the government's work to develop a National Strategy and Action Plans to eliminate family violence and sexual violence in Aotearoa gets underway.

The NZFVC has put together a range of links to useful research and information to support communities in their engagement on the National Strategy. You can access this information through the [new portal](#) on the front page of our website.

As you will see, this pānui also highlights the wealth of new research and reports that have been added to our database as well as information about upcoming events including webinars, conferences and training opportunities.
