

National centre for family and whānau violence research and information

Pānui | Newsletter - Issue 111 - June 2022

Kia ora!

This year is the first year that we will have a national holiday in Aotearoa to celebrate Matariki, a cluster of stars that rises in mid-Winter and that, for many Māori, signals the start of the new year. Matariki encourages us to reflect on the past and look to the future and in doing so highlights the need for healing and a focus on strengthening wellbeing.

This Matariki we hope that you can take the opportunity to pause and reflect upon the year that has been, remember those who have passed on and share kai with your whānau and families.

This Pānui also includes a wealth of opportunities for training, learning and professional development – check out our 'Events' and 'What's new in the library' sections below.

Ngā mihi nui ki a koe,
Charlotte and the NZFVC team

Celebrating Matariki, resources for healing

In observance of Matariki, we highlight Kaupapa Māori approaches to wellbeing and healing.
