

National centre for family, whānau and sexual violence research and information

Pānui | Newsletter - Issue 121 July 2023

Kia ora,

Mānawatia a Matariki! This year we marked the period of Matariki in July. We hope that you were able to take time to pause and reflect upon the year that has been, remember those who have passed on and spend time with your families and whānau in ways that were meaningful for you.

Matariki encourages us to reflect on the past and look to the future and in doing so highlights the need for healing and a focus on strengthening wellbeing. Te Atawhai o Te Ao is hosting the 2023 He pounga waihoe nā ō mātua symposium on 18 August 2023 at Pūtiki Pā in Whanganui. It is a symposium of Māori experiences of intergenerational trauma, recovery and healing. We have highlighted this event and related research and resources in the News Story below.

July also saw the kick-off of the FIFA Women's World Cup, hosted in Aotearoa and Australia. Sport can create spaces for positive change and the prevention of family violence and sexual violence. It has been great to see more visibility and support for women's sport. We also know that some sporting environments are sites of harm. Our News Story below highlights an opportunity to contribute to a new Code of Integrity for Sport and Recreation and at the bottom of our Pānui you will find a range of items added to our database that relate to Interpersonal violence & sexual violence in sport. We are hope you are all keeping safe and warm,

Ngā mihi nui ki a koe,
Charlotte and the NZFVC team

Public feedback invited on Code of Integrity for Sport and Recreation

The Integrity in Sport and Recreation Establishment Board is running a public survey to get feedback to help develop the Code of Integrity for Sport and Recreation.

The Code will help people involved in sport and recreation to have safe and fair experiences. It will set standards for sport and recreation organisations on what 'good' looks like. The survey is asking for feedback on experiences while taking part in sport and recreation and what needs to be included in the Code. The survey closes on 10 August 2023.
