

## National centre for family violence and sexual violence research and information

### Pānui | Newsletter - Issue 123 October - November 2023

Kia ora,

Over the past couple of months the team at NZFVC have been working on developing some new ways to share news and information about family violence and sexual violence with you.

Last week we launched a new Pānui, **Hei Oranga mō Tātou**. The pānui is focused on work and information we think will be particularly useful for kaimahi Māori and will be released in addition to our regular monthly NZFVC Pānui. We expect to send *Hei Oranga mō Tātou* quarterly. If you are interested in receiving this pānui please make sure you sign up to the **Hei Oranga mō Tātou mailing list** as future issues will only be sent to this list.

We have also recently launched '**Quick Reads**' news stories. Each week we will share selected news bites relevant to family violence and sexual violence in Aotearoa. We will continue to publish our longer in-depth news stories as well.

If you have any feedback you would like to share with us about these new offerings, or about our NZFVC website more broadly you can email us at [info@nzfvc.org.nz](mailto:info@nzfvc.org.nz). We would love to hear from you.

Ngā mihi nui ki a koe,  
Charlotte and the NZFVC team
